US Debt Resolve, Inc., a leading provider of Debt Management is pleased to announce the addition of Michael D. Humphreys as Vice President of Information Technology and Systems Development.

PR9.NET June 07, 2006 - Dallas, TX - Michael comes to US Debt Resolve with a background in Computer Engineering from the University of Massachusetts Dartmouth, and the U.S. Naval Nuclear Power School in Orlando, FL where his specialty was Nuclear Physics, Thermodynamics and Material Science. While with the U.S Navy in the 1980s Michael designed and installed an emergency power system to ensure operation of mission critical communication systems.

Michael is a Massachusetts native where he has been involved in the transportation industry for 15 years. He is an avid outdoorsman and musician and has a passion for competitive cycling and auto racing.

"We are extremely excited about Mike joining our firm. It is truly a blessing for such a young company to acquire someone of Mike's caliber," said USDR President and Chief Executive Officer Scott Johnson.

US Debt Resolve Inc., is a financial institute that specializes in debt management, a Delaware company Headquartered in Dallas, TX.
