PBXEQ's VoIP Products has lower shipment costs compared to other online VoIP stores. PBXEQ's new and improved cost calculator adds feature to their website at the same time giving value to customers.

PR9.NET June 14, 2006 - Canton, MI – In line with PBXEQ's vision to give customers utmost significance and value, PBXEQ promises to give consumers the best deal through their affordable and quality VoIP products and asterisk equipment. Now, with PBXEQ's low shipment costs on all their VoIP Products, consumers would enjoy the affordable and quality VoIP products at the same time benefiting from the minimal expenses. Affordable and quality VoIP equipment, Low shipment costs, easy and quick order processing: it's all here in this one-stop shop for all your VoIP and Phone Service needs.

Ease of use and transparency are two very important qualities an online firm must possess. Another innovation from PBXEQ is their new and improved cost calculator. Through this cost calculator, customers themselves will be able to compute their purchases thus avoiding hidden and unnecessary costs.

PBXEQ is an experienced distributor of quality and affordable VoIP brands. PBXEQ has offices in both USA and China, allowing shipment and delivery cost cut-back. PBXEQ's database allows faster order processing for customer orders. That's the best deal and value for any consumer; super low shipment costs and on-time delivery at your doorstep.
