*A site with a wide-ranging offering of the most recent and requested ring tones has been launched this week by AnyFreeRingTone, where users can find various ring tones under a number of genres.*

PR9.NET June 22, 2006 - SANTA CLARA, CA – A site with a wide-ranging offering of the most recent and requested ring tones has been launched this week by AnyFreeRingTone, which can be found at <http://www.anyfreeringtone.com>. A listing of over 200 artists included in a variety of major categories is available on the site. The categories include R&B/Hip-Hop, Rock, Pop, Adult Contemporary, Oldies, and Country. The ring tones are available to users free of charge.

The ring tone crew at AnyFreeRingTone has researched which artists and songs are most sought after by listeners and have compiled their offerings of free ring tones accordingly. The free ring tones on the site include an artists' charted singles as well as songs that are popular amongst the artists' fans. This allows AnyFreeRingTone to offer the best listings of songs to music fans that are looking to get any ring tone that they want.

The entire process will only take a user a few seconds of their time. Once they arrive at the site, they simply need to enter their cell phone number, confirm their sign-up with a pin number, and identify the song they wish to send to their phone free of charge. This will make the process of obtaining a ring tone simple and painless for visitors to the site who want to get their free ring tones.

This site will be a popular resource for cell phone users who are looking for ring tones of songs performed by their favorite artists, free of charge. The convenient and simple sign up process makes the process easy for users who are looking for their desired ring tones.

AnyFreeRingTone was created to conveniently provide cell phone users with ring tones for free. The site is up and running. For more information please contact [contact@anyfreeringtone.com](mailto:contact@anyfreeringtone.com).
