PR9.NET June 22, 2006 - SANTA CLARA, CA – A site with a comprehensive offering of the latest and most requested ring tones for free has been launched this week by ClaimRingtones, which can be found at <http://www.claimringtones.com>. A listing of over 150 artists sorted under six major categories is available on the site. The categories are R&B/Hip-Hop, Rock, Pop, Adult Contemporary, Oldies, and Country.

The ring tone team at ClaimRingtones has looked into which artists and songs are most wanted by listeners and have compiled their offerings accordingly. The free ring tones on the site include an artists' charted singles as well as songs that are popular amongst the artists' fans. This allows ClaimRingtones to offer the best listings of songs to music fans who are looking to get any ring tone that they want.

The layout of the site makes it easy for users to look for and find the particular artist and their desired song within seconds of entering the page. Artists are attributed to whatever genre(s) they are relevant to (which means that a single artist could be placed under multiple categories if their music warrants this). Once a user locates the genre their favorite artist is relevant to, they simply have to click on the artist's name, enter their cell phone number, confirm their sign-up with a pin number, and identify the song they wish to send to their phone free of charge.

This site will be a wonderful resource for cell phone users who are looking for free ring tones of songs performed by their favorite artists, regardless of how "mainstream" the songs are or are not.

ClaimRingtones was created to conveniently provide cell phone users with ring tones for free. The site is up and running. For more information please contact [contact@claimringtones.com](mailto:contact@claimringtones.com).
