ETO ERP Sales Manager Mike Merten at Encompix Celebrates Wins

PR9.NET June 27, 2006 - Cincinnati, OH - Encompix (www.encompix.com) a business unit of Made2Manage Systems, has filled the manufacturing software requirements of engineer-to-order companies since 1992. The company name reflects a commitment to developing business application solutions that encompass the complex areas of project-based and job-based manufacturing. Encompix provides ETO manufacturers with a competitive advantage by improving bottom line results.

Mike Merten joined Encompix in April of 2004 as an Account Executive, responsible for new system sales in the Midwest and Western United States and Canada. His consistent performance led him into the leadership position of Sales Manager in late 2005.

Mike has been helping mid-market companies identify and solve business problems through the implementation of Enterprise Resource Planning, Customer Relationship Management, and Supply Chain Management solutions since 1990. He has held positions in software and consulting organizations including System Software Associates, Crowe Chizek LLP and CCC Information Services. Mike holds a Bachelor's Degree in Management from Bradley University, Peoria, IL.

Mike has been instrumental in expanding the sales of ETO ERP leader Encompix to project-based manufacturers throughout the United States and Canada.
