PBXEQ was certified as Voice over IP reseller by Polycom on June 5, 2006.

PR9.NET July 07, 2006 - Canton, MI – Polycom, one of the biggest firms in the VoIP industry, certifies PBXEQ as one of their resellers. With PBXEQ's promise to provide their clientele with utmost importance and value, they enhanced their product lines with the addition of stylish and quality Polycom IP Phones that fit every customer's needs.

The 5th of June 2006 was a turning point for PBXEQ as they meet all the certification requirements necessitated by Polycom Worldwide, a firm known for converging voice, video, data, and web. Polycom's wide array of product would surely complement PBXEQ easy-to-use shopping cart. PBXEQ is now certified to retail Voice over IP (VoIP) products.

PBXEQ aims to combine style, functionality and quality by offering VoIP telephones from Polycom. Polycom VoIP Phones are stylish – with Polycom's grayish-black matte shade, it simply complements with office uniformity and simplicity. Polycom's wide range of VoIP Phone models are fully functional – their softkeys, depending on the model type, and wide LCD screen provide the end-users with the ease of use that they truly need. Lastly, IP Phones from Polycom are made with excellence and have passed multiple industry safety standards. Polycom's IP Phones are indeed one of the most reliable IP Phones in the industry today.
