With a goal of \$10,000 to help meet the cost of the stuffed animal distributions, we have sent out the solicitation letters, mailed the invitations and the donations have started to come in. The planning is in full swing. Board members have been working hard over the last several months to be sure that this year's event will be extra special. Meals have been chosen, decor purchased and linens rented for what promises to be a great event.

PR9.NET July 14, 2006 - USA, Minneapolis, Minnesota After registering be welcomed in true Hawaiian fashion by having a lei put around your neck and shown the way to the "Tiki Room" where you can purchase our specialty drink and keep the glass. While enjoying this wonderful concoction look over the many silent auction items just begging to have your bid, visit with the other guests and listen to the Hawaiian music.

A meal of your choice of Grilled Ham with pineapple, baby red potatoes and glazed carrots or Teriyaki Chicken Kabobs with Island Rice and vegetables all accompanied by Hawaiian Cole Slaw, rolls and butter, beverage and dessert will be served in the "Luau Room" across the hall. There will be a duck pond and other interesting "income enhancers" for you to participate in as well as a Live Auction. Guest emcee John Hines, morning radio personality from K102, will be also be acting as auctioneer. It is with his special enthusiasm that the bids go higher and higher.
