Despite not making any real significant gains during the race, Felgenhauer Jaguar XJS Racing finish 13th in the Jaguar World Monthly Classic Spares XJS Championship Race at Brands Hatch. Sponsors Follettmotors.com and Creacom Design host hospitality event.

PR9.NET July 18, 2006 - London, UK; Saturday July 15th 2006 saw Felgenhauer Jaguar XJS Racing placed thirteenth (13th) overall in the eighth race of the Jaguar World Monthly / Classic Spares XJS Championship 2006. Overall, the race was disappointing compared to earlier races in the Season as the Car ended up finishing in the same position in which it qualified and did not manage to make any significant gains throughout the race.

Despite this, the day itself was a success as Follettmotors.com and Creacom Design, the official Sponsors of Felgenhauer Racing, hosted a hospitality event in the Paddock area which was well attended. During the course of the afternoon, Follettmotors.com took the opportunity to highlight the work being carried out on their new website which is to be launched imminently. Guests were also invited to peruse the portfolio of websites created by the award-winning team at Creacom Design as well as learn about printing services offered by their associate Company, Inverness Print.

Follett and Creacom Design, the official sponsors of Felgenhauer Jaguar XJS Racing, are pleased with the result and look forward to the next race at Oulton Park on the 12th August.

A full race update including photos can be seen on the website, in both English and German, as well as information about Felgenhauer Racing's Official Sponsors, Follett and Creacom Design. Visitors to the site are also encouraged to learn more about opportunities to take part in Jaguar driving experiences at race tracks both in the UK and Germany.
