Ronco has recently launched its up-to-date Web site at www.ronco.ca with complete information on the wide range of personal protective supplies offered for a variety of industries. Ronco's Clean & Safe personal protective equipment (PPE) provides users with hand, arm, and body protection that are well suited for use in HACCP compliant, industrial, and medical facilities.

PR9.NET July 31, 2006 - Toronto, Ontario – Ronco (www.ronco.ca) has recently launched its up-to-date Web site with complete information on the wide range of personal protective supplies offered for a variety of industries, including food processing, foodservice & hospitality, medical and dental examinations, laboratory research, pharmaceutical processing, general manufacturing, automotive assembly and repair, and many more.

Ronco's Clean & Safe personal protective equipment (PPE) provides users with hand, arm, and body protection that are well suited for use in HACCP compliant environments. Items include disposable gloves, janitorial gloves, work gloves, safety glasses, aprons, hairnets, and shoe covers. In addition, Ronco offers general industrial supplies such as tote, polywoven, and paper bags; reclosable plastic bags; and plastic cutlery.

Visitors can view Canadian Food Inspection Agency (CFIA) letters of non-objection and ISO certificates and can search by industry, product number, and keyword. The new Web site will also allow customers to order online and download pdf versions of our promotional collateral material.

###
