In order to meet the growing needs of current and potential clients, GeBBS plans to add delivery centers across multiple Indian cities.

PR9.NET September 08, 2006 - Englewood Cliffs, NJ – As part of the company's long term strategy, GeBBS Healthcare Solutions, one of India's leading healthcare outsourcers, reveals its plans to add delivery centers across multiple Indian cities.

Nitin Thakor, President, GeBBS Healthcare Solutions says, "GeBBS will seek to achieve a mixture of organic and inorganic growth. In order to meet the growing needs of our current and potential customers, we will continue to identify new locations and add delivery centers across multiple cities in India. In addition to providing us access to a larger pool of qualified resources, the centers will also provide our clients with inter-city site redundancies."

As step one of this plan, GeBBS has commenced planning its third facility which will have a seating capacity of 600 - 800 seats. This facility will be built in phases, with the first phase expected to go live by second quarter of 2007.

GeBBS House, Mumbai has also been renovated recently, which along with the second center, houses 600 seats across two shifts.
