## *Highlight on Staff Issues in a Practice*

PR9.NET September 13, 2006 - Tualatin, OR: Solutions Online Magazine, published by Hollander Consultants, has released its second issue for 2006, which can be found at <http://www.solutionsmags.com>. A key focus for this issue details steps on addressing hiring and termination of staff in a practice.

"We have a diverse range of articles in this issue. There are four practice management articles and three quite different profiles of doctors and the problems they face while expanding a practice," said managing editor Matthew Bratschi.

The doctors profiled in this issue are Dr. Nancy Summer Lerch of Connecticut, Dr. Steve Schoemer of Tennessee, and Dr. Missy Tasky of Colorado.

Bratschi said, "It is highly recommended that doctors who have difficulty in facing down tough practice management issues read carefully both this issue and previous ones. You may just find the help you need. And that's what Solutions Magazine is all about."

Hollander Consultants launched Solutions Online Magazine in the summer of 2003.

Based in Portland, Hollander Consultants was named one of the top 50 companies to work for in Oregon in 2005 by Oregon Business magazine, the chief publication for Oregon businesses.

Hollander Consultants is one of the leading national consulting firms in United States and Canada for the combined dentistry, optometry and veterinary professions and uses the administrative systems developed by business management pioneer, L. Ron Hubbard.
