SuperiorSunrooms.com announces direct access for builders, contractors, developers and installers in the Louisiana - Mississippi rebuilding areas to home building products order line

PR9.NET September 21, 2006 - Birmingham, AL - Superior adds wholesale access for builders, contractors, developers, architects, specifiers, and installers in the Louisiana - Mississippi rebuilding areas to quality building products order line.

"We have added this enhanced access because of the many requests of our current wholesale Louisiana-Mississippi customers and the increased demand that is expected over the next several years." says Tony Ellis, Sales manager.

Access is available via phone at 800-445-1200 or via the website link at http://www.superiorsunrooms.com/louisiana_mississippi_construction_building_products.html

Phone lines available 7:30 AM to 4:00PM CDT. Website available 24 hours.
