*Within the ever growing online gambling industry, a need arose for unbiased and neutral reviews of all major online casinos, sportsbooks and pokerrooms. WagerTrust.com was established to serve online gamblers and gambling websites with current & useful information relating to the online gambling industry.*

PR9.NET September 30, 2006 - New York, USA – There has been tremendous growth in online gambling sites since the introduction of the World Wide Web in the early 1990s. The significance of the internet is that it takes the computer, and Online Gambling, into a new dimension. The new technology allows online gambling fans around the world to play together, making gambling more friendly and exciting. It is just not the casino sites that have sprouted up all over the internet; some sites are providing tips and resources to gamblers. The Online gambling industry has given birth to gambling portals – information havens advising people on where they should place their bets. Before the arrival of online gambling, a gambler had to venture out of his/her home and into the public domain to gamble. But now, they can do the same thing, any time of the day or night and from the ease and comfort of their own living room.

Within the ever growing online gambling industry, a need arose for unbiased and neutral reviews of all major online casinos, sportsbooks and pokerrooms. WagerTrust.com was established to serve online gamblers and gambling websites with current & useful information relating to the online gambling industry. WagerTrust.com strives to be the complete and authoritative online gambling review destination. At WagerTrust.com, you will find in-depth, neutral and unbiased reviews of all major casinos, poker rooms, and sportsbooks so that you can decide which site is best suited for your online gambling needs. WagerTrust.com provides current event news articles as well as player-centric discussion forums & blogs to assist you in your online gambling decisions. If anybody is looking for the best online casinos, pokerrooms and sportsbook reviews, then WagerTrust.com is certainly the right website for them.

WagerTrust.com provides its users & members with current & useful information relating to the latest online gambling websites. You will also find current player reviews of the sites they frequent, which outlines the pros and cons of their online gambling experiences.
