*The Credit Money Machine, a new credit repair software, offers financial service providers and entrepreneurs a way to enter the lucrative credit repair industry by boosting credit scores.*

PR9.NET October 08, 2006 - SEATTLE, WA; Real Mango LLC, a provider of new business solutions, is offering the Credit Money Machine that features the Advanced Marketing Platform.

According to Repair Your Credit and Knock Out Your Debt (McGraw-Hill 2004) there are over 75 million Americans considered a credit risk. As such the credit repair industry is ripe for financial professionals such as mortgage brokers, realtors, CPA's and even car dealers to start offering their own credit repair services.

Not only will financial professionals be able to positively impact their customers credit scores and better control their deals and closings, they now have a direct way to enter the lucrative credit repair industry.

"We are here to create the best new business experience possible for entrepreneurs and financial professionals to start offering these profitable services," said Brian DesLauriers, General Manager for Real Mango LLC. "Our built in advanced features help create, monitor and follow-up with disputes through to final determination."

One of the biggest challenges in starting a new business is receiving proper training and support. Buyers of the Credit Money Machine have access to video help training plus they receive personal one-on-one support from Lorenzo Rodriguez, developer and partner in Real Mango LLC.

Another challenge for new businesses is bringing in the customers. "Our Advanced Marketing Platform provides an effective set of tools to market direct to new prospects as well as existing customers using e-mail, fax, and/or phone combined with our template system," says DesLauriers.

Real Mango is the combined efforts of Brian DesLauriers and Lorenzo Rodriguez. Brian and Lorenzo have been partners since meeting online over two years ago yet have never met in person.

They first connected online in 2004 when Brian was living in Thailand and Lorenzo in Florida, and have been collaborating in business ever since.
