eOneNet.com, ranked top Internet marketing company in Asia in international search engines will present the first Internet marketing blog seminar in Singapore on 11 November, 2006.

PR9.NET November 03, 2006 - Fione Tan, President and CEO of eOneNet.com and top Internet marketing coach in Asia, will personally present the first Internet marketing blog seminar targeted for entrepreneurs and companies in Singapore on 11 November, 2006.

This seminar will reveals the secrets of professional bloggers in using blog for marketing, including launching a blog in less than 5 minutes, driving massive traffic to websites using blogs, and getting top rankings in search engines using blogs.

"Not only Internet marketers are using blogs only, but also most of the big corporations," said Fione Tan.

"However, you do not need a deep pocket like a Fortune 500 company in order to launch and manage a blog. This seminar will reveal how a company or an entrepreneur can launch a blog for free and the marketing strategies to turn the blog into a profits centre ," Tan continued.

eOneNet.com's blog, the top Asia Internet marketing blog at http://www.eOneNet.com/internet_marketing_blog provides unique contents drawn from eOneNet.com's experience and presence in Asia, including Hong Kong, China, Singapore and Malaysia. Recent posts include a video on Google search, tips for choosing affiliate programs, and even Fione Tan's lifestyle postings in Hong Kong and China.
