*The Big Faceless Organization (BFO) website is now available in Japanese*

PR9.NET November 23, 2006 - London, England - Big Faceless Organization (BFO), provider of high quality Java software components, are delighted to announce the launch of the Japanese version of the website: <http://big.faceless.org>.

The BFO Japanese website will display when the preferred language is set to Japanese on your web browser. Every page of the BFO site has been meticulously translated into Japanese.

CEO Monica Kar, says "we wanted to demonstrate our loyalty and commitment to business in the Japanese marketplace. Our Japanese client base has increased significantly over the last few years and the time was right to offer language support and aid further expansion."

"Feedback to date has been positive and yes, we are looking to add further languages specifically; other Tiger Economies, Eastern Europe and the Sub Continent."

To download free fully functional trial versions of BFO's software please go to: <http://big.faceless.org/products/download.jsp>

###
