*Last Atlantis Capital Management, LLC (St. Thomas, USVI) announced the appointment of systems developer Steve Cohen to the firm's new program development team. Mr. Cohen participates in the development and testing of new proprietary trading systems, and contributes to new strategy analysis and implementation. He also tests standards for the firm's trading systems, including trading methodology and procedures.*

PR9.NET November 28, 2006 - ST. THOMAS, USVI - Last Atlantis Capital Management, LLC (St. Thomas, USVI) announced the appointment of systems developer Steve Cohen to the firm's new program development team. Mr. Cohen participates in the development and testing of new proprietary trading systems, and contributes to new strategy analysis and implementation. He also tests standards for the firm's trading systems, including trading methodology and procedures.

Previously, Mr. Cohen developed and managed options trading programs for a number of proprietary trading groups including Brian Schaer, Inc., Sparta Group, and Last Atlantis Capital LLC. With Richter Financial, Mr. Cohen developed new money management models for trading stocks and options.

Prior to his systems development work, Mr. Cohen was a floor trader and new trader mentor for numerous firms on the Midwest Stock Exchange and the Chicago Board Options Exchange. He earned a BA degree in Finance from the University of Illinois, and currently holds a Series 7 license.
