Netlink Solutions (India) Limited, December 02, 2006

URL: <http://www.pr9.net/comp/internet/4834december.html>

This new avtaar handicrafts.easy2source.com affirms Netlink Solutions India Limited's commitment to make information available systematically. Wonder what the State Handicrafts Councils Of India would have to say?

PR9.NET December 02, 2006 - Mumbai, Maharashtra, India, Thursday - This is a new avtaar announces Minesh Modi jubilantly. Minesh Modi is the Director of Netlink Solutions (India) Limited. Listed on the Mumbai Stock Exchange, with a market capitalization of over Rupees 100 million, Netlink Solutions (India) Limited has synergies divisions. The divisions namely, Gifts & Accessories Magazine with online resource versions giftsnaccessories.com and corporategifts.easy2source.com, Search Engine Optimizer (SEO) Aditya Infotech adityainfotech.com, A Business To Business (B2B) Directory Online easy2source.com, along with another Business To Business Directory (B2B) Directory gnaol.com are an enviable combination of information sources.

This new avtaar website handicrafts.easy2source.com affirms Netlink Solutions India Limited's commitment to make information available systematically. Look more closely at the portal and you might even recognize another commitment, a commitment to promote handicrafts.

Wonder what the State Handicrafts Councils Of India namely, the Handloom Development Corporation commonly known as POSHISH, the North Eastern Handicrafts And Handlooms Development Corporation Limited (NEHHDC), the Gujarat State Handicrafts Development Corporation Limited (GSHDCL), the Tamil Nadu State Cooperative Handicraft Corporation (TNSCHC), the Handicrafts Development Corporation of Kerala Limited (HDCKL), the Uttar Pradesh Khadi & Village Industries Board (UPKVIB), the West Bengal Handicrafts Development Corporation (WBHDC), and the Himachal Pradesh State Handicrafts & Handloom Corporation Limited (HPSHHCL), would have to say?

When you're at handicrafts.easy2source.com, you're looking at reaching out and making contact with suppliers of arts and crafts, bags, beach and leisure goods, beads, boxes, carpets & rugs, flower decorations, furnishings and floorings, furniture, garden accessories, gift ware, handmade paper, herbal products, home decor, households products, lacquer ware, leather, lesser known handicrafts, marine products, metal ware, miniature products, precious stones, X'mas or Christmas decoratives, zari and zari products, other handicrafts. There's also personalized handicraft.

You might want to call this a systematically collected, arranged, and presented database of relevant information, or a place on the information highway where business can be conducted with ease. Either ways, this portal like Minesh Modi, means business. By the way, Minesh Modi is also the Editor and Publisher of India's first Gifts & Accessories magazine in print focused on corporate gifts and accessories, and has also initiated a move to make an entry into Business Process Outsourcing. If you are looking for a copy of the November 2006 – January 2007 issue, the first has moved out of office.

Also, a team member at Netlink Solutions India Limited Author Karishma Roy has taken part in The New Forks LLC Enter Our Space Journalism Contest. UFO, etc.? The team at www.newforks.net has arranged that. Apart from terrorism, the next interesting topics in the air.

Your opinions about the new launch handicrafts.easy2source.com have been invited.
