EMANIO, Inc announces immediate availability of pre-configured AS2 solution for Lowe's vendors who can no longer use Lowe's VAN connection.

PR9.NET December 04, 2006 - Berkeley, California - EMANIO, Inc - a leading provider of Enterprise Application Integration (EAI) and Electronic Data Interchange (EDI) applications announced immediate availability of a pre-configured AS2 connectivity solution for Lowe's customers who are no longer able to access Lowe's VAN Mailbox.

With Lowe's recent decision to no longer accept transactions sent to their VAN mailbox, Lowe's vendors have been searching for products that provide AS2 connectivity to Lowe's. With our newly announced AS2 pre-configured product EMANIO customers can now acquire a solution that works seamlessly with Lowe's and with EMANIO's TradingPartner software.

EMANIO is encouraging customers to get in touch with EMANIO's sales department right away to place orders for this newly announced solution. EMANIO's CEO KG Charles-Harris said "Having identified that the inability to send transactions to Lowe's VAN Mailbox was a problem we were able to quickly create a solution that gave Lowe's vendors a viable alternative. We are happy to be able to provide it at this point in time."

EMANIO's AS2 connectivity solution for Lowe's is available immediately and can be purchased by contacting EMANIO's sales department at (510) 849-9300 or by e-mail at sales@emanio.com.
