PR9.NET December 06, 2006 - San Jose, California (CA) - General Motors' year end promotional sale the 'Red Tag Event' is on until January 3, 2006. This annual marketing program features exciting discounted prices on most 2006 and 2007 Buick, Chevrolet, GMC and Pontiac models.

True to GM's promotional theme 'See some Red. Save some Green' the price on the tag is the price you pay', the offer has discounts that can range as high as \$2,000 (all at the dealer's discretion). Most GM brands except for the Cadillac, Corvette, Solstice, Hummer and Saab vehicles are included in the scheme.

The dealers are awarded a certificate worth \$250 for every vehicle in stock. In the preceding year GM organized a Red Tag sale, which involved discounts set by the company. This year though the program is set to keep incentives tactical and regional, rather than across the board.

Courtesy Chevrolet displays a wide range of new and used Chevrolet vehicles. Various models of Chevrolet's new and pre-owned vehicles are exhibited on the portal. Excellent deals on pre-owned Chevrolet vehicles can be availed at the Pre-Owned Inventory section at www.courtesychevrolet.com
