*2020Sat.com launches and is offering the top promotional deals on telecommunications services.*

PR9.NET January 26, 2007 - PHILADELPHIA, PA - 2020Sat.com, a proud affiliate of Revenue Allies, is pleased to announce the launch of their new website, which is offering competitive pricing on top telecommunications services in the United States. The website will include promotional deals on broadband Internet, Voice over IP (VoIP) phone, and cable/satellite television from providers such as DISH Network® (EchoStar), DIRECTV®, and Comcast Corporation.

2020Sat.com is most excited about the deals they provide from DISH Network®, which currently serves over 13 million customers in the United States, including Hawaii, Alaska, and Puerto Rico. DISH Network® offers packages starting at just \$19.99 per month, such as the America's Top 60 package, which offers over 80+ well-rounded channels, with the best pick of channels available. In addition, DISH Network® also offers some of the most advanced International packages such as the DISH Latino® for the Spanish subscribers and DISH Network's® Great Wall package for the Chinese subscribers. With over 19 different International programming packages, DISH Network® provides more International television channels than any other television provider.

There is an alternative to DISH Network®. DIRECTV® offers a free DVR or HD receiver lease after a mail-in rebate of \$100. In addition, subscribers receive a free 4-room DIRECTV® system installation. With DIRECTV®, Americans can save over \$60.00 over a 12-month period.

A new offer from 2020Sat.com is the bundled package offer from Comcast®. Subscribers of Comcast® can now get Internet, Digital Cable, and Digital Voice for one low price in one package for an introductory offer as low as \$84.89 per month. Surf the Internet, talk on the phone, and watch television without worrying about expensive costs.
