Affordable monthly billing options for people who need voiceover project management are now available at Voices.com.

PR9.NET January 27, 2007 - Toronto, Canada – Voices.com, the voice marketplace, has been meeting the needs and exceeding the expectations of advertisers who need voiceovers recorded since 2004 and this year is no exception. As of January 1st 2007, the company introduced monthly billing options for advertisers and ad agencies who need to hire voice over talents throughout the year to complete their projects.

There are two monthly billing service offerings that advertisers can choose from, starting as low as \$19.00 per month to access premium services provided by Voices.com and their team of professional voice over talents.

The Enterprise Edition, priced at \$99.00 per month, is the perfect solution for world-class organizations with a high volume of activity, multiple users and the need to manage unlimited voiceover projects each year.

The Business Edition, offered at \$19.95 per month, is appropriate for small and medium-sized businesses or boutique ad agencies that need to manage unlimited voiceover projects each year.

Voices.com CEO, David Ciccarelli says, "These new options provide more flexibility and choice to companies needing to hire voice talents for their projects online."

Voices.com is home to 8,000 voice talents and serves over 50,000 clients worldwide. To learn more about Voices.com, click here: <http://www.voices.com>
