Emanio, Inc. provides new ways for owners of its EDI software to interact with Emanio.

PR9.NET January 30, 2007 - Berkeley, California -- Emanio, Inc. - a leading provider of Data Integration (DI) and Electronic Data Interchange (EDI) applications announced today the availability of its on-line customer support portal. Emanio customers can for the first time access Emanio's support department by using web-based access.

"Giving our customers the ability to interact with us via the web has always been important to us," said Emanio CEO, KG Charles-Harris. "Our customers have always been able to use e-mail to generate support incidents with us; now however they have the option of signing up for a dedicated support portal that will allow them to log and manage all their support cases," continued Mr. Charles-Harris.

Emanio's support portal allows customers to create cases, manage case status and exchange data with Emanio's support team using a web-based system. Emanio Customers will be given access to the customers support portal on an as requested basis or as part of Emanio's recently announced support program. Emanio's Customers can inquire about access to the support portal by contacting Emanio support or Emanio sales at (510) 849-9300 or by sending an e-mail to sales@emanio.com.
