PR9.NET February 14, 2007 - Charleston (SC): Volvo of Charleston, the Volvo dealer in Charleston (SC) www.volvoofcharleston.com announces the all-new Volvo C30 that targets young singles or couples with extreme urban lifestyles and suits an active life in urban areas. The Volvo C30 comes with a 2.5-liter turbocharged inline-5 engine that produces 218-horsepower and a six-speed manual (a five-speed automatic will be optional). The C30 T5 reaches 60 mph in six and a half seconds.

The C30 offers sporty driving energetic handling and steering while it measures just 167 inches in length. The new C30 has two separate seating positions in the rear seat, with moderate head and legroom and rear seats are slightly centered to provide an excellent frontward view. The rear seats in the C30 are foldable. The new C30 has become a trademark to Volvo design by the frameless glass tailgate, broad shoulders, alluring looks and style. The interior program of the C30 can be personalized with a specially designed body kit, available for wonderful personal combinations.

The safety features in the new Volvo C30 include BLIS (Blind Spot Information System) that helps to recognize another vehicle in the blind spot at the rear sides of the car, patented multi-steel structure, airbags, safety belt pretensioners, whiplash protection system and a side impact protection system with side airbags.
