TankDepot.co.uk has strengthened the company's position as the UK's leading online storage tank reseller, with the launch of Harlequin's exciting, new range of Polyrock Bunded Oil Tanks.

PR9.NET February 16, 2007 - DERBY, UNITED KINGDOM TankDepot.co.uk has consolidated its position as the UK's leading online reseller of plastic oil storage tanks, with the launch of an exciting new range of stone effect bunded tanks.

Manufactured in the UK by Harlequin, and available in Granite and Sandstone effect colourways, the new Polyrock range spans a choice of popular capacities, from 1,000 to 2,000 litres. A choice of both Slimline and Horizontal models is available. Designed to integrate seamlessly into the surrounding environment, the Polyrock range is ideal for installation at traditionally constructed properties, where a strong emphasis will often be placed upon aesthetic integrity.

An advanced, oil resistant thermoplastic, Polyrock material displays excellent resistance to impact across a wide temperature spectrum. At a time of ever increasing environmental awareness, it is reassuring to know that at the end of the product's long and useful life, all Polyrock material is also fully recyclable.

Harlequin's Polyrock range has been engineered to exceed the production requirements of OFTEC's OFS T100 Standard. Additionally, it is fully compliant with all product requirements contained within The Control of Pollution (Oil Storage) (England) Regulations 2001, The Water Environment (Oil Storage) (Scotland) Regulations 2006, British Standard BS5410, Environmental Alliance PPG2, and comparable requirements throughout the United Kingdom.

All Polyrock tanks incorporate the same, high specification features as Harlequin's standard range of Bunded Oil Tanks. A choice of top or bottom outlet is available, and all Polyrock models are supplied as standard with the highly reliable, Apollo electronic tank contents gauge; electronic bund warning alarm; and, LRC failsafe overfill prevention probe. Additionally, Top Outlet variants feature Harlequin's EcoFlex top outlet system, comprising isolation valve, fuel resistant suction pipe and top outlet connection, whilst Bottom Outlet models are supplied complete with Tank Fitting Kit.

The full range of Polyrock Bunded Oil Tanks can now be ordered online from TankDepot.co.uk, complete with a wide range of oil and liquid storage solutions from market leading manufacturers. As an online, national reseller TankDepot.co.uk can offer free delivery on all products to customers throughout mainland Great Britain and Northern Ireland.
