PR9.NET February 16, 2007 - Cary, North Carolina (NC): Hendrick Pontiac (www.hendrickpontiac.com), the Pontiac, Buick and GMC dealer at Cary, servicing Raleigh, Durham, Chapel Hill in North Carolina (NC), is excited about the arrival of the all-new 2007 GMC Acadia.

The 2007 GMC Acadia, powered by a 267-horsepower, 3.6-liter V6 connected to a six-speed auto transmission is provided with independent suspension and gives a ride more like a car than a truck, with more lively dynamics. Being an all-wheel drive vehicle, Acadia 2007 promises a smooth ride and better control with a towing capacity to pull anything less than 4500 pounds.

The 2007 GMC Acadia can hold up to eight occupants or a huge amount of luggage. The occupants will find the large interior of Acadia 2007, more user-friendly. A latest feature called Smart Slide has been attached to the second-row seats which can be folded and slid against the back of the front seats. Different compartments for storage and audio controls have been provided in the rear of the 2007 GMC Acadia. It is expected that the new Acadia will give a mileage of 17mpg in the city and 25mpg on the highway.

Some of the main safety features provided on the GMC 2007 Acadia are six standard airbags and Electronic Stability Control with anti-rollover technology.
