PR9.NET February 28, 2007 - Santa Monica, CA – Following close behind lack of time, the second major reason for shopping online is anonymity. For celebrities, shopping trendy boutiques for pillow shams and custom made coverlets involves the challenge of sidestepping paparazzi looking to share the intimacy of their selected bedroom sheet style with the world.

Following the roll out of DraperyAndBedding.com's new site, an increasing number of photo-snapped stars are realizing that another solution exists. Custom design manufacturer DraperyAndBedding has a long list of prominent clientele that insist on luxury designs—and confidentiality. Many celebrities and sports stars take advantage of DraperyAndBedding's online ordering and excellent customer service so they can shop with confidence in their selections and the privacy they covet.

DraperyAndBedding owner Christine Tenney has grown accustomed to working with celebrity clientele and their personal decorators and understands their stipulation for privacy. Christine says, "DraperyAndBedding upholds the highest level of service for all clients, but we recognize extra discretion is an important ingredient when handling celebrity orders."

Celebrities come straight to DraperyAndBedding.com to select the most luxurious styles for their homes. With over 15 years of experience, DraperyAndBedding provides made to order drapery and bedding designs for celebrities all over the country as well as major home builders that feature DraperyAndBedding's designs in model homes.

With custom creations that range from "tie top panels" to "cluster shirred dust ruffles," DraperyAndBedding continuously comes up with original designs to satisfy a wide spectrum of styles. Providing tips and "how to" measurement guides on their website makes it easy for anyone to decipher the dimensions of their window seats and bedspreads.

Though DraperyAndBedding is commonly referred to as the bedding and drapery designer for the stars, DraperyAndBedding is affordable for others looking for custom made home conceptions. Maintaining an abundant stock of approximately 300 patterns enables DraperyAndBedding to offer exceptional prices for elegant designs that can be catered to fit any dimensions.
