Aftermarket Cellular is proud to announce that they have launched a new "Unlocked Phones" section to their web site. The "Unlocked Phones" section features dozens of unlocked gsm cell phones at discount prices to the public.

PR9.NET March 10, 2007 - Huntington Beach, California - Aftermarket Cellular is proud to announce that they have launched a new "Unlocked Phones" section to their web site. The "Unlocked Phones" section features dozens of unlocked gsm cell phones at discount prices to public.

Aftermarket Cellular carries all of the popular brand name cell phones including the Motorola RAZR V3i with iTunes, the Motorola SLVR L7, the i-mate SmartFlip phone, and dozen of other cell phones. These phones are often available at discounts of up to 40%. Currently, there are over 50 different cell phone deals available from Aftermarket Cellular in the "Unlocked Phones" section. At present Motorola and Nokia cell phones have been introduced in this section, soon to be followed by HTC, Siemens and Apple cell phones. Check out Unlocked Phone Deals at AftermarketCellular.com. Aftermarket Cellular provides you with latest and comprehensive unlocked cell phone offers on several brands.

The web site accepts all major credit cards so that users can purchase cell phones and their accessories securely so that their private information is kept safe. Aftermarket Cellular also accepts payment from Paypal.

The web site has also been verified by GeoTrust so one can be sure of a safe and pleasant shopping experience with a company that will answer your questions and address your concerns both before and after purchase.

Aftermarket Cellular also stocks over 4500 discount aftermarket and OEM cellular accessories and they also offer various shipping plans ranging from free standard shipping (3-5 days for orders over \$79.00) to priority overnight shipping.

###
