ChipsAway is one of the most successful franchises in the UK. Based on unique patented technology, ChipsAway has become the dominant force in

the Small and Medium Area Repair Techniques (SMART) sector, effectively repairing car body paintwork in a fraction of the time taken by a traditional body shop, and at a highly competitive price.

PR9.NET February 02, 2007 - Weymouth, Dorset - The world leading car automotive Smart repairer - ChipsAway - is pleased to announce the success of the latest Franchisee website. ChipsAway Dorset is the South Dorset (Bridport - Blandford - Weymouth - Dorchester - Bere Regis) area Franchisee and operates the website as an additional enquiry stream available to those online.

ChipsAway has developed a unique system, which allows repairs of dents, stone chips and even vandal scratches to car bodywork to be made to your vehicle at your convenience and is one of the most successful franchises in the UK with almost 300 franchisee's operating nationwide and a growing network of master franchises overseas. Based on unique patented technology, ChipsAway has become the dominant force in the car body repair and Small and Medium Area Repair Techniques (SMART) sector, effectively repairing car paintwork in a fraction of the time taken by a traditional body shop, and at a highly competitive price.

This service is now available in the Bridport - Blandford - Weymouth - Dorchester and right through to Bere Regis area (www.chipsawaydorset.co.uk) and we can come to you! The secret of the ChipsAway System is based on our Mobile Workshop which enables us to carry out car body repairs at your convenience – either at your place of work or at your home. ChipsAway can match any colour of vehicle to a high standard using state of the art computerised formulae and colour reference books alongside their fully developed technical expertise. The resulting paints can then be mixed on site to provide a service which is second to none.

Services include:

- Car Body Repairs
- Vandal Scratches
- Bumper Scuffs
- Alloy Wheel Refurbishment
- Cigarette Burns
- Stone Chips
- Dents
- Windscreen repairs

The system is safe, clean and operated by highly trained technicians. Most car repairs are completed within a day which is convenient for most customers who rely on their vehicles for work and all repairs are fully guaranteed.
