Peach Direct offering great gifts for Mom.

PR9.NET April 18, 2007 - Los Angeles, CA - PeachDirect, one of the nation's leading direct marketers, is now offering a wide variety of perfect Mother's Day gifts for as little as \$15 per month. Peach Direct is also offering a minimum of six months no-interest financing for approved customers on purchases over \$499.

Among the scores of in-demand items Peach Direct is featuring in this Mother's Day sale are an 18" pearl strand -- a true classic that's sophisticated and that never goes out of style. Peach Direct is also offering a gorgeous Heart Diamond Pendant for Mother's Day, allowing consumers an affordable way to showcase your appreciation.

Peach Direct also has a wide line of high-fashion handbags for Mom, including the luxurious Lowe Valentini Bauletto Handbag among many other styles. For capturing the smile on Mom's face when she gets a great gift from Peach Direct, the wide line of digital cameras and camcorders is the perfect gift. Another key offering from Peach Direct, the HP Pavilion 15.4 inch Media Notebook, allows fast access to digital entertainment, as well as ways to make priceless DVDs of Mom's special day.

"Mom deserves the best, and Peach Direct offers countless choices to treat the Mothers in your life with the best," said Vicky Chan, Vice President of Marketing of Peach Direct today in a statement. "By buying with the Peach Direct credit card, shoppers can get an instant decision via our website if they are approved for our great deals. Applying for the PeachDirect credit card is easy and convenient -- simply sign up online at <http://www.peachdirect.com/>. With the Peach Direct Platinum credit card, shoppers can enjoy a variety of card benefits such as no interest financing for six months, low monthly payment options, exclusive cardmember promotions, and a generous credit line."
