PR9.NET May 04, 2007 - Los Angeles – What does it take to really make it in the voice over business? Through their interactive teleseminars, Nancy Wolfson and Anna Vocino serve up the truth about what voice talents in the new world of voice over need to equip themselves with, both as artists and businesspeople. Their forthcoming teleseminar on May 7, 2007 at 9 p.m. EST (6 p.m. PST) "Acting For Advertising", created specifically for voice over talents, also known as "The Only Way To \$ell", will teach participants how to acquire the necessary techniques that advertisers require voice talent to bring to the microphone. This will be the first time ever in a teleseminar that Nancy Wolfson will share two key chapters from her private curriculum.

Four randomly drawn participants who have submitted a demo will also be treated to Nancy's "Agent Ears", receiving a review of their voice over demo with constructive criticism and contagious enthusiastic encouragement.

Nancy and Anna are pleased to announce that their "Acting For Advertising" teleseminar will be sponsored by none other than the voice over industry's largest and most trusted voice over marketplace, Voices.com. Break Into Voice Over and Voices.com have enjoyed a wonderful relationship for a number of years, including Nancy Wolfson's recent participation as an industry judge for the 2007 Voicey Awards at Voices.com among other activities.

The team at Voices.com is donating one Voices.com Premium Membership subscription to a lucky participant in the May 7, 2007 Break Into Voice Over teleseminar as one aspect of their sponsorship agreement. A Premium membership at Voices.com will give the selected voice talent a year's worth of access to qualified, professional job opportunities, priority ranking in the Voices.com Search Engine and superior visibility in the Featured Voice Talent Directory in addition to the best customer service and community resources for voice talent and audio producers online.

Voices.com co-founder, Stephanie Ciccarelli says, "Working with Nancy and Anna is always a treat. Many of our customers have benefited and continue to thrive because of the Break Into Voice Over Teleseminars, and we are very much looking forward to strengthening those bonds even further in future pursuits between Break Into Voice Over and Voices.com."

The 90-minute Break Into Voice Over teleseminar will take place on Monday, May 7, 2007 at 9 p.m. EST / 6 p.m. PST; the cost is US\$49 payable by PayPal.
