Regular Investor Audio Podcast on InvestorIdeas.com creates a Valuable Educational Resource for Building Knowledge on Options Trading

PR9.NET May 23, 2007 - POINT ROBERTS, Wash., Delta B.C - www.InvestorIdeas.com, Big Ideas for the Small Cap Investor®, a leading global investor and industry portal specializing in sector investing, presents an online educational interview with optionsXpress, Inc., a subsidiary of publicly-traded optionsXpress Holdings, Inc. (NASDAQ: OXPS), a pioneer in equity options and futures trading for the retail investor. The interview is part of an ongoing educational podcast series with optionsXpress, providing investors interested in options trading with valuable trading strategies.

This educational podcast builds on the previous segment where listeners were introduced to the world of options, by providing listeners with an overview of several options strategies. Topics covered include base call and put strategies, risks and benefits associated with utilizing Married and Protective Puts, as well as an overview of Covered Calls.
