Online Oil & Gas Investor Audio Conference Adds Torrent Energy Corporation (OTCBB: TREN), Stealth Ventures Ltd. (TSX.V: SLV), American Energy Group, Ltd. (OTCBB: AEGG), Dejour Enterprises Ltd. (AMEX: DEJ) to Growing List of Oil and Gas Public Companies and Industry Experts

PR9.NET May 30, 2007 - POINT ROBERTS, WA and DELTA, BC – May 30, 2007, www.InvestorIdeas.com, and its energy portals www.OilandGasStockNews.com and www.NaturalGasStocks.com, update the presenters for its upcoming online audio oil & gas investor conference taking place June 6th starting at 9:00am EDT. This online event, which looks at the 'Future of Energy', will consist of presentations from various industry experts and participating public companies covering investment opportunities in oil, natural gas, oil sands and more.

Oil and gasoline prices have been in the spotlight as we have officially entered the peak driving season and face a potentially volatile hurricane season in the months ahead. With the national average for regular unleaded gas moving to approximately \$3.20 a gallon, many are speculating as to whether these high price levels will continue throughout the summer months.

Investors can learn more about expectations for the energy sector at the upcoming oil and gas conference. Free registration is available at: <http://www.investorideas.com/forums/Register.aspx>
