

Management Consulting Firm opens in East Belgium

OptimaGest Management Consulting Belgium, June 01, 2007

URL: <http://www.pr9.net/business/services/5659june.html>

A new management consultancy company based in Montzen, Province de la Liège, Belgium is offering a one stop shop for small to medium sized businesses. OptimaGest Management Consulting Belgium can provide everything a business needs to succeed in today's competitive business environment.

PR9.NET June 01, 2007 - Montzen, Belgium – Optimagest uses a one-on-one technique to help companies in their long term goals. They provide the full spectrum of business tools from management techniques to web design and IT advice.

Manager Freddy D'herckers 30 years of business experience means he knows how and why businesses prosper and is able to offer a highly personalised service to the companies in the East Belgium region. His fluency in French, English, Dutch and German is very necessary in such a multilingual community enabling companies to expand out of their linguistic areas.
