Home Storage Online Retailer Announces Call for Unique and Creative Uses of Chrome Wire Products.

PR9.NET June 20, 2007 - Auburn Hills, MI – The Shelving Store (www.theshelvingstore.com) has announced an exciting and interactive photo contest on their recently launched home storage online store, www.theshelvingstore.com.

Have you recently created a chrome wire shelving unit that you are particularly proud of? Send a photo of it in use and win a brand new five-tiered wine rack from The Shelving Store, perfect for modern and visual storage of your favorite wines. The Shelving Store is looking for the coolest combinations of either residential or commercial chrome wire shelving components (preferably from our store!). The more unique use of design and storage capacity, the better chance you have of winning! Please forward entries to contest@theshelvingstore.com by July 31. The Shelving Store will choose a winner on August 7 and the winner will be notified via email. The winner and their chrome wire shelving creation will be displayed on <http://www.theshelvingstore.com> in August!

A popular home storage trend today, chrome wire shelving features a lot more than just a cool and modern look. Its' extremely sturdy and durable and wire shelves do not act as a trap for dust and dirt making it useful in areas that require cleanliness. Chrome wire shelving offers simple to build and stylish storage solutions for any room in your home--the kitchen, living room, bedroom, laundry room, garage and office are all popular areas to add this stylish shelving.
