"Stock Symbol" Investor Relations Ads for Public Companies by Sector and "Green Ads" for Environmental Companies Create Immediate Visual Branding.

PR9.NET June 27, 2007 - POINT ROBERTS, Wash., Delta B.C - InvestorIdeas.com® (www.InvestorIdeas.com), a leading global investor and industry research resource portal specialized in sector investing, has created new visual online advertising, featuring "Stock Symbol" ads for public companies to showcase their name, stock symbol, logo and identifiable industry sector, in addition to "Green Ads" for environmentally friendly companies.

InvestorIdeas.com Stock Symbol ads create visibility for Renewable Energy Stocks, Energy Stocks, Mining Stocks, China Stocks, Water Stocks, Digital Stocks, Music Stocks and more...

InvestorIdeas.com animated ads include each company's identifiable logo, industry sector, stock symbol and are tagged with each company's description. InvestorIdeas.com currently features over 30 industry sectors to select from, in addition to global markets such as China, India and the Middle East. To view examples of the current animated stock symbol ads, visit the InvestorIdeas.com home page, advertising page, as well as portals for Renewable Energy Stocks and Music Industry Stocks.

For public and private companies participating in the green and environmental sector, companies can also build brand awareness with "Green Ads" on the Green Investor Portals: www.RenewableEnergyStocks.com, www.FuelCellCarNews.com, www.EnvironmentStocks.com, and www.Water-Stocks.com. The new Green ads reflect the global shift to environmental branding and awareness and target the growing number of ethical and green investors and consumers.
