Jaguar's X-Type has been pronounced the top aspirational luxury car for 2007. It has earned this rank from Auto Pacific's annual Vehicle Satisfaction Award (VSA), which is given after doing a study to measure the satisfaction owners derive from their cars.

PR9.NET June 27, 2007 - Merritt Island, FL: Island Lincoln Mercury Jaguar Land Rover, dealer for Jaguar vehicles among others, is pleased that a car brand it stocks, the X-Type from Jaguar, has been selected as 2007's top aspirational luxury car by Auto Pacific. Available as both sedan and wagon, the X-Type is an entry level luxury car and is the only one in its class to offer standard traction-enhanced all-wheel drive. It is a distinctive marque that its manufacturers claim combines the luxury, athletic performance, prestige and smoothness of a luxury car, for less. For more details of the award and other aspects, please contact the dealer at 866-415-9833

Auto Pacific, an automotive consulting firm, arrives at the VSA based on several criteria, after it conducts what it calls its Future Vehicle Survey. This is done on objective standards of measuring satisfaction levels auto owners get from their vehicle, and is given in different categories such as Premium Brand, Sports Utility Vehicle and Large Car.

Island Lincoln Mercury Jaguar Land Rover offers several features at its dealership, such as Finance Specials, Weekend Specials, New and Used Vehicle Specials, Pre Owned Specials and Lease Specials.
