PR9.NET July 05, 2007 - Kansas City, MO - Digital Gold the flagship product is a complete marketing system and Internet business in a box. It's a blueprint that anyone, regardless of skills or talent can follow. Members learn how to put the system on autopilot and be paid repeatedly for something they did only once.

Big Cash Express incorporates a unique Dual Matrix Payout Plan. The first part of the plan is a 2x2 follow your sponsor matrix that members enter with a one-time product purchase. This is a once out of pocket, forever in profit system that is very simple to work. Members will earn \$1200 over and over with each cycle, paid weekly. There is no limit to the number of times someone can cycle in a week.

The second part is the Company wide profit sharing plan. The ProfitMax is a 4x6 force filled matrix that is built by the company in order in which people join. For the first time in history, instead of the company getting rich, they have found a way to "give back" to the members. This has never been done before. Someone will literally be able to generate up to \$72,000 per month in passive, residual income without lifting a finger! (no sales required) This is perfect for anyone that wants to remain completely passive.

This is a system that is guaranteed to pay out quickly and repeatedly. This structure has been proven by the experts to last for years because it is easy for everyone and promotes long-term stability.
