PR9.NET July 10, 2007 - Rochester, MI - Szura Insurance Services has been recognized by Hastings Mutual Insurance Company as an Exceptional Agency due to commercial lines insurance production. As a result, Szura Insurance Services has earned several prestigious benefits from Hastings Mutual including priority for "rush" quotes, greater underwriting flexibility from the underwriting staff, and increased credit authority for all acceptable policy submissions.

"We are honored to receive the Exceptional Agency status with Hastings Mutual Insurance Company," said Matt Szura, president of Szura Insurance Services. The downtown Rochester full service agency has provided commercial, personal and bonding plans for Southeast Michigan for nearly 40 years. The agency just launched an enhanced Web site featuring instant quotes and multiple insurance company comparisons. The informative and detailed new site provides a simple, convenient, and easy-to-navigate insurance shopping experience.

"We are especially proud of and grateful for a select group of agencies, like Szura Insurance Services, that are outstanding in writing and servicing significant books of business with Hastings Mutual. Given their achievements, they deserve to be classified as Exceptional Agencies," said Charles Johnson, vice president of marketing at Hastings Mutual Insurance Company.

Hastings established a set of qualifying criteria to be met in order to be an Exceptional Agency in commercial lines production including the following:

- Current year and long-term loss ratio for Commercial Lines is less than 55%.
