Ultimate Financial Forecaster 3.0 builds financial projections and is now Vista compatible.

PR9.NET July 13, 2007 - FARGO, ND – Atlas Business Solutions, Inc. (ABS) announced today the release of Ultimate Financial Forecaster® 3.0. Ultimate Financial Forecaster helps entrepreneurs, managers, and business owners build a comprehensive set of financial projections, complete with reports and charts for balance sheets, cash flow statements, and income statements. This financial forecasting software includes step-by-step instructions, over 65 reports and charts, and hundreds of start-up resources. Version 3.0 of Ultimate Financial Forecaster is compatible with Windows Vista™.

"Ultimate Financial Forecaster is an important part of our business planning line of software," says Jon Forknell, vice president and general manager of Atlas Business Solutions. "It's a great tool for both new and existing businesses to calculate their future financial projections, determine funding requirements, and see if an idea or strategic direction can make money."
