PR9.NET July 24, 2007 - Toronto, Canada – Marc Graue, voice over producer to the stars, is featured this week on the Voice Over Experts Podcast, <http://podcasts.voices.com/>, the top educational podcast for beginner and professional voice actors around the world. With experience producing voice over recordings for Hollywood video games and movies with celebrities as well as voice over demo production services for professional voice over talent, Marc Graue's expertise in this area is exceptional.

Marc Graue keeps his lecture "How To Make an A-list Voice Over Demo" entertaining with a mixture of characters and really useful advice that any voice actor could appreciate with candid revelations of what goes on behind closed doors when a voice over demo is listened to at a production studio. Marc lets people know the cold hard facts about what matters, what doesn't and how to grab a client's attention.

As a contributor to the Voice Over Experts faculty, Marc Graue will be lecturing on an ongoing basis to aspiring voice actors and professional voice actors via podcast on how to understand, hone and grow in their craft. Since the lectures are available in the form of podcasts, the lessons are hosted online and can be heard at any time of day at the convenience of the listener.

The Voice Over Experts Podcast can be found and subscribed to for free in the iTunes Podcast Directory and online at the Voices.com Podcast Center.
