Sales Trainer, Alvin Day, makes 13 business sales training articles available for web publishers and bloggers to use on their websites.

PR9.NET July 26, 2007 - West Palm Beach, FL - Sales and Personal Empowerment Coach, Alvin Day, has announced the release of 13 sales training articles that will be made available to web publishers and business bloggers.

The articles focus on important areas of sales training such as dealing with rejection, becoming more persuasive, making sales presentations more effective and approaching sales with the right mindset.

"It is my hope that the articles will be provide valuable content to business website and blogs whose visitors have an interest in learning how to increase their sales," Day said when asked about his purpose in making the articles available for use.

The articles are being made available free of charge. Any article used must be published in its entirety and include Day's resource box which contains two active links to his website.

Web publishers and bloggers interested in adding the articles to their website should contact marsha@AlvinDay.com for a complete list of links.
