Offering decades of hotel, restaurant and travel expertise, World Ventures Travel has announced that Anthony Pierpont has joined their team.

PR9.NET August 03, 2007 - Minnesota - Mr. Pierpont is a highly acclaimed restaurant critic, epicurean, pro-travel photographer, wine expert and world traveler and thus the millions of "foodies" and travel junkies world wide applaud.

Having gained the endorsement of travel expert Anthony Pierpont was no easy task for World Ventures Travel, an emerging company in the travel space whose new approach to travel has stunned the industry with its state of the art "Meta search" (search of a search) capabilities.

Anthony Pierpont's endorsement of World Ventures Travel adds credibility to the World Ventures Travel brand in a space where customers are faced with hundreds of service options. He will certainly add a new flare of experience to the Company.

Anthony Pierpont and World Ventures Travel will be offering its members exclusive package trips to Global Destinations that include some of the most sought after resorts in the world.

For more information, please contact Anthony Pierpont at aapierpont@hotmail.com or view their website at: www.worldventurestravel.com.
