Company's Premier Tutorial Program Now Available for Sale on Website of One of the Nation's Largest Membership Warehouse Clubs

PR9.NET August 29, 2007 - BROOKLYN, N.Y. - Multimedia Tutorial Services, Inc. , a leading developer of educational content, has increased its distribution of Math Made Easy(TM) through Sam's Club online at samsclub.com.

Sam's Club, a division of Wal-Mart Stores Inc., and one of the nation's largest membership warehouse clubs with more than 47 million U.S. Members, offers their customers values on high quality merchandise as well as goods and services for small business owners, including day care center operations and teachers, as well as consumers.

Barry Reichman, President of Multimedia Tutorial Services, Inc., said, "We are pleased to announce Math Made Easy's(TM) distribution through Sam's Club Online. Sam's Club Online represents a new and very important distribution channel for Math Made Easy(TM). Multimedia Tutorial Services will be one step further in its mission to fill the gap in U.S. education by providing America's teachers, parents and students with a one-stop resource for exceptional tutorial programs."
