PR9.NET August 31, 2007 - Mumbai, India - Netlink Solutions (India) Ltd. (NSIL) has announced its results for the year ended March 2007. The company has registered net profit after tax of Rs. 118 Lacs. This has been achieved on an equity base of Rs. 296 Lacs with the resulting EPS (Earning per Share) being Rs.0.40. The total income of the company this year has seen steady growth from last year's Rs. 196 Lacs to Rs. 209 Lacs this year.

This year has been a year of sustainable growth for the company with Aditya Infotech consolidating its position as one of the top leading search engine marketing companies. The company's evolution has been complete from being a search engine optimizer to a search engine marketer. The company has been soliciting inquiries for association from businesses the world over.

The company has gained the reputation of being smart content managers with its Directories Division successfully positioning portal [www.easy2source.com](http://www.easy2source.com) as a top business and trade information source. During the next year, the company intends to consolidate its position in the information department and aims to become the source, the world will depend upon.

The results of persistent hard work are mirrored in the company's Gifts & Accessories Magazine division. The circulation of the printed edition of the magazine has increased rapidly and the magazine is now a well-known entity amongst some of the renowned manufacturers, suppliers, and corporations across India.

This year, the company launched the Gifts & Accessories e-magazine edition which evoked a positive and pleasant response, with portals [www.easy2source.com](http://www.easy2source.com) and [www.corporategifts.easy2source.com](http://www.corporategifts.easy2source.com) easing the only one of its kind magazine into the electronic media. Since then, the magazine has grown from being India's only Corporate Gifts & Accessories Magazine in print to India's only Gifts & Accessories Magazine both off-line and online.

With the company scaling new heights every year, the mood in the office amongst the personnel of the company is always upbeat, and the results are there to be seen for all.

For the year 2007-08, the company has decided on a plan of action to continue practicing good business ethics and strengthen foundations based on value creation and consolidation of growth. The directors recommended dividend at 7% on the face value of Re. 1 per equity share, and the same was approved at the Annual General Meeting held on August 30, 2007. The company is poised to surge ahead and grow from strength to strength.
