*As a Labor Day Promotion, Smartfax slashes 20% off on monthly charges for signups made from September 3 – September 9, 2007.*

PR9.NET September 01, 2007 - Canton, MI – Smartfax, one of the fastest internet fax-to-email services, entices the business world with its huge discount on monthly fees, cutting as much as 20% off. Those who sign up during the week of the Labor Day, September 3 to September 9, 2007 to be specific, will enjoy the big discount not only for the initial month, but for as long as they use Smartfax.

This Labor Day promotion is Smartfax's way of encouraging users of conventional facsimile machines to leave the old ways behind and start making use of new technology in their business. Smartfax packages start at \$6.95 to \$12.95, but users who sign up from September 3 to 9 will avail them for only \$5.56 to \$10.36 a month for the remainder of their use of Smartfax internet fax solutions.

Smartfax enables users to send and receive faxes without the use of conventional fax machines, paper and fax toners, hence dramatically reducing costs of fax transmissions in offices. Users save even more by signing up during the Labor Day week. Deals don't get any better than this.

Sending faxes is much easier, faster and more convenient with Smartfax. Top this with the permanent 20% monthly discount and you'll get the best internet fax service deal available in the market today. To learn more about the Labor Day Special, visit: <http://www.smartfax.com>.
