*101Fax Creates Buzz as It Launches Pay per Use and Pro Packages*

PR9.NET October 03, 2007 - Canton, Mi – Seldom can people find a faxing service tailored to individual users who send low volume of faxes. 101Fax gives the most attractive Faxing Services Solutions with its unique packages, the Pay per Use and 101Pro. These Packages were designed not only for business owners but for occasional users as well.

What makes it unique according to the creators of 101Fax:

Customers can choose from the two 101fax Packages, the Pay per Use and 101FaxPro and, customers can receive faxes on either a Local or Tollfree number. They can have it prepaid or postpaid – whichever package that will suit their needs. Customers get the absolute flexibility.

101Fax enables faxes to be sent and received via email, whether to a single or to multiple recipients. Customers are ensured that their documents are sent the way they want them to look.

Customers trust 101Fax because it is simple, affordable, convenient and the most reliable service provider.

101Fax not only provides excellent faxing solutions to its customers; they provide top-notch customer service on every level of contact with their clients. Inquiries, maintenance and all customer concerns are personally taken care of 101Fax's client relations representatives.

And unlike other Faxing Services, 101Fax customers can easily sign up, transfer numbers and cancel anytime they wish to without delays and hassles. No forms to fill up, customers simply inform 101fax their intent and their requests are immediately processed.

###
