Bridalhome.com is the online wedding planning helpline to organize weddings at one go with least botheration at the touch of a button. The website has sites with full range of bridal gowns, bridesmaid dresses and other formal wedding outfits. Through Bridalhome.com planners can plan and can decide upon the suitable wedding venue, cakes, reception hall, flowers and other important things that are a pre requisite for weddings.

PR9.NET October 25, 2007 - Pomona, California - Bridalhome.com, the wedding planning site of Milano Formals Inc is one such site with the responsibility of planning personalized weddings. There is huge range of prom dresses which have different styling with graceful and elegant designs. The styling is simple in silhouette, modern in design, classic to fit and luxuries in quality. Bridalhome.com has sponsored websites like Shopshop.com with formal dress collection offering a wide variety of choice, which gives a bride, the freedom to create a complete and stylish look for herself.

The site founder Andy Anand wants to bring out the best of color and design online for the brides to be and for the prom goers. "I wanted to create a site that will cater to those who want to seek online help in order to plan well organized weddings and this very notion led to the genesis of bridalhome.com". Further commenting on the sites features Andy Anand says "Bridalhome.com is an online library storing innumerable websites offering bridal gowns and prom dresses. The bridal honeymoon section provides information on exciting honeymoon packages to exotic locations."

In Bridalhome.com explorers can go for something unique as theme weddings, or can select the ideal honeymoon packages for gifting it to the newly weds. The bridal shower section will help you in planning the bridal shower party in most exotic destination. Other categories related to wedding planning such as chapels, wedding greeting cards, gifts, wine parties, cakes, favor, magazines, bachelor parties, conventions, photographers, florists, bridal shows, honeymoons, perfumes, wedding etiquettes, and many more have more than five sponsored links of the best online sites. Now visitors of the site can even create their online store or a wedding site for free and can even search for online stores throughout the world. All this and many more categories are there for extravagantly memorable nuptial ties.

The expense of a wedding is overwhelming but Bridalhome.com allows you to buy a designer dress with more color options than available at any big store and magazines at surprisingly low prices. Bridalhome.com includes sites that let you organize weddings in the most economical manner. At last, a simple and easy to use website for wedding planning with the best possible resources. Bridalhome.com is therefore worth visiting. However, Toll free numbers 877-776-6469 or 909-348-7903 is the second best option to get personalized wedding services or to contact our customer care executive.
