The guide is dedicated to providing free Filipino recipes that can be experimented with on a normal day of work as well as during an occasion.

PR9.NET November 04, 2007 - Ontario, CA - Today, tastemycooking.com has launched one of the best collections of free recipes that offers a wide range of choices from over 1000 traditional and modern adaptations of Filipino recipes.

"All we knew about cooking was just "plain cooking"--boiling rice, frying eggs and cooking nilaga (which is simply boiling meat or chicken, and then adding vegetables.) By launching tastemycooking.com, we want to ensure that our free authentic Filipino recipes can be enjoyed by one and all with free of charge 24/7", Mr. Tolosa (webmaster) said.

At regular intervals new recipes are considered and put up on the site and at any given point the top ten recipes are exhibited to the benefit of experts and amateurs alike.

Categories include everything from Appetizers to Desserts. The site also welcomes community to share their knowledge in cooking by adding new recipes.
