Establishes Domenic Manchisi of Prudential Town Centre Realty in Milton, Ontario, as a Key Industry Leader and Expert in Team Based Real Estate.

PR9.NET November 07, 2007 - Milton, ON - Domenic Manchisi, Prudential Town Centre Realty, has been asked to join Ralph Roberts, dubbed by Time magazine, "the best-selling REALTOR® in America", at the National Association of Realtors Expo and Conference in Las Vegas, Nevada November 14, 2007.

Assembled and moderated by RISMedia, this panel will walk Realtors through the process of creating a team and will include topics such as: identifying and mastering the art of delegating, providing the training and technologies that team members need to be successful, and compensating team members to keep them on track.

Each Fall, over 25,000 real estate professionals and guests gather at the annual REALTORS® Conference & Expo to learn about industry trends, new technology and innovative products and services. Special seminars and education sessions provide REALTORS® with the know-how they need to better serve their community.

Team based real estate focuses on the fact that one single agent cannot possibly do everything it takes to remain competitive in today's market. By spreading the workload over a variety of team members, agents can focus on what they do best and in doing so provide the clients with the ultimate in customer service.

Domenic's dedication and expertise to the team concept has led him to a top 3 position in Canada with Prudential. To learn more about Domenic and the Milton, Ontario community, visit www.domenicmanchisi.com.
